25X1

On March 31, 1955, [redacted] of this office and [redacted] discussed the work to be done on the testing, packaging, and evaluation of approximately 86 AB units. A decision was made at that time to conduct this work under Work Order QK-15-552-A2. This is to advise you that costs incurred for this work on the AB units up to \$1,000.00 may be charged against Work Order QK-15-552. It is our understanding that Work Order QK-15-529-AB will be closed by June 30, 1955.

You are also authorized to incur charges up to \$3,500.00 under Work Order QK-15-552 to complete the inspection and packaging of the SS Box. The packaging evaluation proposed in your letter, QK-15-555 (C-59424) of March 29, 1955, is also to be accomplished within the funds authorized. At a meeting between representatives of this office and those of [redacted], on March 24, 1955, it was agreed that Work Order QK-15-545-AB would be completed and closed on May 30, 1955.
